

Amid a raging coronavirus pandemic, 'Abhayam Payasa Challenge' has taken NSS (TEMU) by storm.

9th November, 2021

Towards providing free dialysis services to 54 poor needy patients, a campaign called '**Abhayam Payasam Challenge**' was conducted on 9th November, 2021 under the banner of "NSS", Thunchath Ezhuthachan Malayalam University, Tirur, Malappuram.

A collective of Faculty Members, Research Scholars and Students raised money by conducting 'Payasam Mela' and contributed the same to the Abhaya Dialysis Society's fund. The NSS Coordinator handed over ten thousand Rupees through Payasam Challenge. Youngsters really deserve a salute for this. We must appreciate their dedication and humanitarian concern.

Dr. Sundara Raj T,
NSS Coordinator,
