

ACTION TAKEN REPORT (ATR-2022)

The Internal Quality Assurance Cell of the ThunchathEzhuthachan Malayalam University has elicited the annual feedback from all its stakeholders viz: students, alumni, industry and peers. Every year IQAC collects feedback from the respective stakeholders and takes action. The present year IQAC collected feedback by distributing questions regarding curriculum, assessment and continuous assessment evaluation practices. This is the first time University is collecting feedback after the implementation of OBE curriculum. After consolidating the opinions from the feedback, the IQAC identified certain areas and implemented the following things.

- The meetings of the School directors were held by IQAC to the effective implementation of OBE curriculum and give suggestions to improved teaching and learning method accordingly.
- As per the feedback IQAC took effective measures to improve infrastructural facilities.
- IQAC took steps to increase the MOU with many industries, research institutes and academic institutions with the purpose of collaborative support in internship and other academic engagement of students .
