

## ACTION TAKEN REPORT (ATR-2023)

The Internal Quality Assurance Cell of the ThunchathEzhuthachanMalayalam University has elicited the annual feedback from all its stakeholders viz: students, alumni, industry and peers. Every year IQAC collects feedback from the respective stakeholders and takes action. After consolidating the opinions from the feedback, the IQAC proposed the following suggestions and implemented the same with the coordination of respective authorities.

- The IQAC team members were discussed with the school directors about the need of more research oriented workshops. So the schools were taken initiatives in organising more workshops.
- The IQAC took steps to improve the digitisation process for the evaluation activities.
- IQAC strengthened Placement Cell for proper placement of students in various industries and organizations. The Placement Cell has arranged many training programmes and job fair for the benefit of students.
- IQAC took initiatives to implement more add on courses and skill development courses.
