Name of Programme	:	Workshop on Malayalam Computing and Unicode
Date of Programme	:	21-11-2023
Organized By		School of Literary Studies
Resource Person	:	Mujeeb Rahman, Co-founder of Alphafork Technologies,
No. of Participants	:	32
Focused on	:	Skill Development

Report: Workshop on "Malayalam Computing and Unicode" organized by the School of Literary Studies at Thunchath Ezhuthachan Malayalam University on November 21, 2023, Mr. Mujeeb Rahman, Co-founder of Alphafork Technologies, program was the resource person. The workshop aimed to provide insights into the field of Malayalam computing, emphasizing the importance of Unicode in digital language processing and development. It served as an essential platform for enhancing understanding and awareness of technology's role in preserving and promoting the Malayalam language.

Name of Programme	: Workshop on Quantitative Analysis Software
Date of Programme	: 26-07-2023
Organized By	School of Sociology
Resource Person	: Dr. Sreeja V, Assistant Professor, School of Development Studies, Thunchath Ezhuthachan Malayalam University
Focused on	: Skill Development

Report: The School of Sociology at Thunchath Ezhuthachan Malayalam University organized a workshop on Quantitative Analysis Software on 26th July 2023. The workshop was led by Dr. Sreeja V, Assistant Professor at the School of Development Studies, Thunchath Ezhuthachan Malayalam University. This session aimed to enhance participants' knowledge and skills in using software tools for quantitative data analysis, essential for social science research.

Dr. Sreeja provided an in-depth introduction to commonly used statistical software such as SPSS, R, and STATA, focusing on their practical application in research. Participants were taught how to input, manage, and analyze data, with hands-on exercises that allowed them to apply statistical techniques relevant to their own research projects. The session also emphasized the importance of proper data interpretation and visualization, guiding participants on how to effectively present their research findings.

Name of Programme	: Workshop on Quantitative Analysis Software
Date of Programme	: 12-10-2022 - 13-10-2022
Organized By	School of Sociology
Resource Person	: Dr. Sreeja V, Assistant Professor, School of Development Studies,
	Thunchath Ezhuthachan Malayalam University
Focused on	: Skill Development

Report: SPSS Software Training Workshop was conducted from 12/10/2022 to 13/10/2022 at 2 Pm to 4 Pm. All the P.G students in the department were participated. Sreeja V, Assistant professor, Development studies ,TEMU was the expert . All the students had given good feedback about the class. The training focused on the practical application of software in quantitative analysis, including data coding. Participants were introduced to techniques like mean, median, mode, as well as the use of diagrams and charts for data interpretation. The IBM SPSS Statistics software was introduced, and examples were provided to demonstrate its application in data analysis. At the end of the session, faculty members Dr. Susan Isac and Dr. Muhammad Jafra shared their insights. The training concluded with a formal vote of thanks by Dr. Swapna Rani, the Director of the department.

Name of Programme	:	Workshop on Research Data Analysis
Date of Programme	:	30-01-2024- 31-01-2024
Organized By	:	School of Sociology
Resource Person	:	Dr. Leela P.U, Assistant Professor, Dept. Of Sociology, St.Theresas College Ernakulam Dr. Seethal S Kumar, Assistant Professor, Sree Sankaracharya Sanskrit University, Kalady Prf. Jony C. Joseph, Former Visiting Professor, Thunchath Ezhuthachan Malayalam University Tirur
No. of Participants	:	55
Focused on	:	Skill Development

Report: The School of Sociology conducted a two-day workshop on research data analysis (qualitative and quantitative) from January 30 to 31, 2024. The first day featured classes by Dr. Leela P.U, Assistant Professor at St. Theresa's College, Ernakulam, and Dr. Seethal S. Kumar, Assistant Professor at Sree Sankaracharya Sanskrit University, Kalady. They provided valuable insights into qualitative methodologies and quantitative analysis techniques. On the second day, Prof. Jony C. Joseph, Former Visiting Professor at Thunchath Ezhuthachan Malayalam University, Tirur, led discussions on integrating qualitative and quantitative methods. The workshop saw enthusiastic participation from all postgraduate students and research scholars in the School of Sociology, who actively engaged with the experts and clarified their doubts. Overall, the event was a great success, fostering a collaborative learning environment and enhancing the research skills of the attendees.

Name of Programme	:	Workshop on Participatory Rural Appraisal
Date of Programme	:	22-07-2023
Organized By	:	School of Sociology
Resource Person	:	Mr. Shibu P., Enumerator, NABARD Consultancy Private Ltd.
Focused on	:	Skill Development

Report: The School of Sociology conducted an insightful workshop on 22 July 2023, focusing on the concept of "Participatory Rural Appraisal" (PRA). The session was led by Shibu P., Enumerator NABARD Consultancy Private Ltd. During the workshop, both theoretical and practical aspects of PRA were thoroughly covered. Shibu P. provided in-depth knowledge about the various types and methods involved in PRA, equipping students with essential skills to effectively engage in rural development activities. The workshop successfully enhanced the students' understanding of PRA, making them well-informed about its application in real-world scenarios.

Resource person Mr. Shibu P, handling the session

: Workshop on Python programming

Date of Programme	:	07-03-2022 - 11-03-2022
Organized By	:	School of Linguistics
Resource Person	:	Dr. Shamjid (Dayapuram Arts & Science College), Dr. Abrar K.J. (The Elegant College, Palakkad), Dr. Prajisha (IISER, Thiruvananthapuram)
No. of Participants	:	106
Focused on	:	Skill Development

Report: The School of Linguistics conducted a workshop on Python programming from March 7 to 11, 2022. 20 students attended the workshop, which emphasized practical training, from the Linguistics department.

Dr. M. Sreenathan inaugurated the workshop. The school director, Dr. Smita K. Nair, presided over the event. Dr. Saithalavi coordinated the workshop, with subject experts Dr. Shamjid (Dayapuram Arts & Science College), Dr. Abrar K.J. (The Elegant College, Palakkad), and Dr. Prajisha (IISER, Thiruvananthapuram) as resource persons, provided valuable insights and practical knowledge about python programming.

Name of Programme	:	Workshop on Python programming
Date of Programme	:	11-03-2024 - 15-03-2024
Organized By	:	School of Linguistics
Resource Person	:	Dr. Prajisha A.K. (IISER, Thiruvananthapuram) Mr. Selvaraj R. (IISER, Thiruvananthapuram)
Focused on	:	Skill Development

Report: The School of Linguistics conducted a Python Programming Training session from march 11 to 15, 2024, at the Linguistics Lab. This training was designed to provide participants with practical knowledge of Python programming, focusing on its applications in linguistics. The training was led by distinguished experts, Dr. Prajisha A.K. (IISER, Thiruvananthapuram) And Mr. Selvaraj R. (IISER, Thiruvananthapuram). The expertise of the trainers ensured a comprehensive learning experience for all attendees.

Name of Programme	:	Workshop on Python programming
Date of Programme	:	24-07-2023 - 27-07-2023
Organized By	:	School of Linguistics
Resource Person	:	Dr. Abrar K.J. (The Elegant Arts and Science College) Dr. Prajisha A.K. (IISER, Thiruvananthapuram) Mr. Selvaraj R. (IISER, Thiruvananthapuram)
Focused on	:	Skill Development

Report: The School of Linguistics held a Python Programming Training session from July 24 to 27, 2023 at the Linguistics Lab. The training was tailored to equip participants with practical Python programming skills, emphasizing its relevance and applications in linguistics. The session was expertly handled by, Dr. Abrar K.J. (The Elegant Arts and Science College), Dr. Prajisha A.K. (IISER, Thiruvananthapuram) and Mr. Selvaraj R. (IISER, Thiruvananthapuram)

Name of Programme	:	Prath Software Skill Development Workshop
Date of Programme	:	19-03-2022 - 21-03-2022
Organized By	:	School of Linguistics
Resource Person	:	Dr. Sarath V S, Assistant at International Centre for Free and Open Source Software (ICFOSS) Mr. Jibin Kiran, Research Scholar, School of Linguistics
Focused on	:	Skill Development

Report: The School of Linguistics organized the Prath Software Skill Development Workshop from February 19 to March 21, 2022. This extended workshop aimed to enhance participants' software skills, particularly focusing on tools and techniques relevant to the field of linguistics. The workshop was handled by Dr. Sarath V S, Assistant at the International Centre for Free and Open Source Software (ICFOSS) Thiruvananthapuram and Mr. Jibin Kiran, Research Scholar at the School of LinguisticsOver the course of the workshop, participants engaged in various hands-on sessions designed to build their proficiency in essential software tools. The expertise of Dr. Sarath and Mr. Jibin ensured that the training was both informative and practical, catering to the specific needs of linguistics research and application.

Name of Programme	:	NLP Workshop
Date of Programme	:	22-03-2022 - 25-03-2022
Organized By	:	School of Linguistics
Resource Person	:	Ms. Jish P. Jayan, Research Associate at C-DIT, Trivandrum
No. of Participants	:	43
Focused on	:	Skill Development

Report: The workshop on "Natural Language Processing (NLP)" organized by the School of Linguistics, Thunchath Ezhuthachan Malayalam University took place from March 22 to 25, 2022. The event was inaugurated by Prof. M Sreenathan and presided over by Dr. Smitha K. Nair, with a welcome address from Dr. C Saidlavi and felicitations from Dr. M Santhosh. Over the four days, 128 participants engaged in a series of detailed lectures and interactive sessions led by resource speaker Ms. Jish P. Jayan, Research Associate at C-DIT, Trivandrum. The workshop covered essential topics, including an introduction to NLP, POS tagging, applications and algorithms in NLP, and lemmatization. At the conclusion of the workshop, participants were issued certificates, recognizing their participation and achievements. Aimed at enhancing understanding and practical insights into NLP, the workshop provided a valuable platform for academic and professional growth in linguistics and language technology. Overall, it was an enriching experience that equipped attendees with knowledge relevant to their fields.

Name of Programme	:	Quantitative Data Analysis Workshop
Date of Programme	:	21-03-2022 - 24-03-2022
Organized By	:	School of Development Studies
Resource Person	:	Sri. Sreenij (Project Fellow, Centre for Development Studies, Trivandrum),Dr. Jins Varkey (Assistant Professor, St. Aloysius College,
		Ellthuruth, Thrissur
No. of Participants	:	60
Focused on	:	Skill Development

School of Development Studies Thunchath Ezhuthachan Malayalam University conducted a four day workshop on quantitative data analysis from 21st March to 24th March 2022. Sri. Sreenij (Project Fellow, Centre for Development Studies, Trivandrum), Dr. Jins Varkey (Assistant Professor, St. Aloysius College, Ellthuruth, Thrissur) were led the workshop as the resource persons. Sreeja V. (Assistant Professor, School of Development Studies) was the faculty coordiantor of the workshop. The Quantitative Data Analysis Workshop was designed to provide participants with the skills and knowledge necessary to effectively analyze quantitative data.

Key Themes discussed during the workshop is given below:

Introduction to Quantitative Data Analysis: The workshop began with an introduction to the principles and importance of quantitative data analysis. Participants were introduced to various quantitative research methods and the contexts in which they are most effectively applied

Data Collection and Preparation: Sessions covered techniques for collecting quantitative data, including surveys and experiments. Emphasis was placed on the importance of data preparation, including cleaning and organizing data for analysis.

Statistical Techniques: Participants learned about key statistical techniques such as descriptive statistics, inferential statistics, and regression analysis. These techniques are essential for interpreting and drawing conclusions from quantitative data.

Analytical Tools and Software: The workshop provided hands-on training with quantitative data analysis software, such as SPSS and Excel. Participants practiced using these tools to analyze data and generate meaningful insights.

Data Visualization: The final sessions focused on how to effectively visualize quantitative data. This included guidance on creating charts, graphs, and other visual representations to communicate findings clearly and effectively.

The Quantitative Data Analysis Workshop was a comprehensive training program that provided participants with essential skills for conducting quantitative research. The expertise of Sreenij and Dr. Jins Varkey ensured that the sessions were both informative and practical, enabling participants to apply what they learned to their own research projects.

Name of Programme	:	Quantitative Data Analysis Workshop
Date of Programme	:	12-12-2022 - 16-12-2022
Organized By	:	School of Development Studies
Resource Person	:	Prof. Manjula Bharathi,
No. of Participants	:	19
Focused on	:	Skill Development

From December 12 to 16, 2022, the School of Development Studies, Thunchath Ezhuthacahn Malayalam University conducted an online workshop on Qualitative Data Analysis. The workshop was led by Prof. Manjula Bharathi, a distinguished professor known for her extensive work in decentralized governance, subaltern and decolonial citizenship, and feminist political ecology. Dr. M.G. Mallika (Associate Professor, Thunchath Ezhuthachan Malayalam University) was the Faculty Coordinator of the Programme.

The workshop covered various techniques and methodologies for qualitative data analysis, including thematic analysis, coding, and the use of text analysis software. Participants engaged in hands-on activities, analyzing real data to apply the concepts learned. Prof. Bharathi facilitated interactive discussions, encouraging participants to share their experiences and challenges in qualitative research. She provided personalized feedback and guidance to help participants refine their analytical skills. The workshop concluded with a summary of key takeaways and a Q&A session, where Prof. Bharathi addressed participants' queries and provided additional resources for further learning. Participants found the workshop highly informative and appreciated the practical approach to learning qualitative data analysis. The interactive sessions and personalized feedback were particularly valued, helping participants gain confidence in their analytical abilities.

Name of Programme	:	Quantitative Data Analysis Workshop
Date of Programme	:	06-03-2023 - 10-03-2023
Organized By	:	School of Development Studies
Resource Person	:	Dr. Vipin Chandran (Assistant professor, KKTM College Kannur)
No. of Participants	:	19
Focused on	:	Skill Development

Report: From March 6 to 10, 2023, the school of Development Studies, Thunchath Ezhuthachan Malayalam University workshop on Quantitative Data Analysis. The workshop was led by Dr. Vipin Chandran (Assistant professor, KKTM College Kannur) with extensive expertise in economics and quantitative research methods. Dr. M.G. Mallika (Associate Professor, Thunchath Ezhuthachan Malayalam University) was the Faculty Coordinator of the Programme.

The workshop covered various statistical methods and techniques, including descriptive statistics, inferential statistics, regression analysis, and hypothesis testing. Participants engaged in hands-on activities, using statistical software to analyze real datasets and apply the concepts learned. Dr. Chandran facilitated interactive discussions, encouraging participants to share their experiences and challenges in quantitative research. He provided personalized feedback and guidance, helping participants refine their analytical skills and understand complex statistical concepts. The workshop included case studies that demonstrated the application of quantitative data analysis in different research contexts. Participants learned how to interpret statistical results and draw meaningful conclusions from their analyses. Participants expressed their appreciation for the comprehensive coverage of quantitative data analysis methods and the practical insights provided. The workshop was well-received, with participants appreciating the depth of knowledge and practical examples shared by Dr. Chandran. The interactive format and the focus on real-world applications were particularly valued.

Figure 1: Workshop Day 1

Figure 2: Interactive Session

Name of Programme	:	GIS Workshop
Date of Programme	:	20-09-2023 -23-09-2023
Organized By	:	School of Development Studies
Focused on	:	Skill Development

Report: The School of Development Studies, in collaboration with IRTC Mudoor, conducted a comprehensive GIS Workshop from September 20-23, 2023. The workshop was held at IRTC Mudoor and featured training sessions led by experts from IRTC. The primary aim was to equip M.A. students with practical skills and knowledge in Geographic Information Systems (GIS). Dr. M.G. Mallika (Associate Professor, Thunchath Ezhuthachan Malayalam University) was the Faculty Coordinator of the Programme.

Objectives of the Workshop

- To introduce the fundamental concepts and applications of GIS.
- To provide hands-on training in GIS software and tools.
- To enhance the participants' ability to analyze and interpret spatial data.

The workshop commenced with an inaugural session where the participants were welcomed and introduced to the objectives and schedule of the workshop. Experts from IRTC provided an overview of GIS, its significance, and its various applications in different fields. Participants received hands-on training in using GIS software, including QGIS and other open-source tools. The session covered basic functionalities and data management techniques. The third day focused on spatial analysis techniques, including data visualization, mapping, and spatial data modeling. Participants learned how to apply these techniques to real-world scenarios. The final day included discussions on practical applications of GIS in various domains. Experts shared case studies and real-world examples to illustrate the impact of GIS on decision-making processes. Participants engaged in an interactive workshop where they applied their newly acquired skills to analyze and interpret spatial data. The event concluded with a Q&A session, allowing participants to clarify their doubts and engage in discussions with the experts. The GIS Workshop was a significant success, providing participants with valuable insights and practical skills in GIS. The event fostered a deeper understanding of spatial data analysis and its applications in various fields.

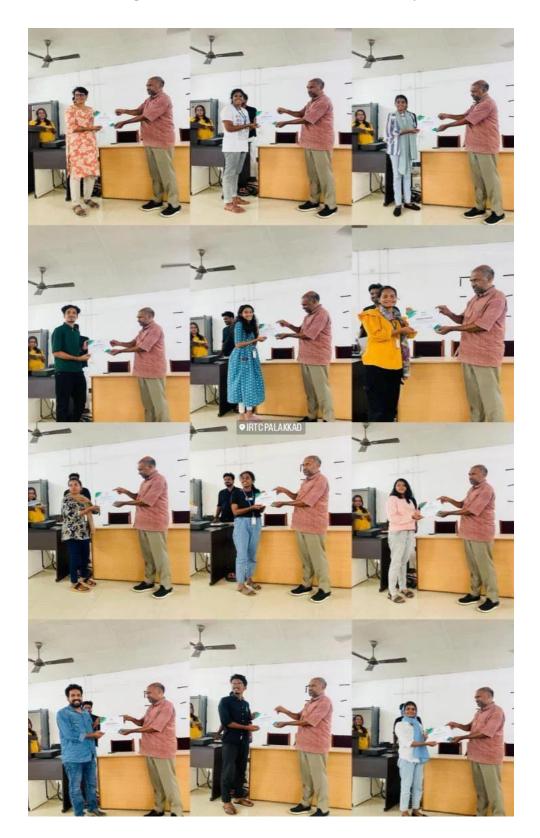

Figure 5: Certificate Distribution Ceremony

Name of Programme	:	Workshop on Quantitative Data Analysis
Date of Programme	:	04-10-2023 - 07-10-2023
Organized By	:	School of Development Studies
Resource Person	:	Dr. Rajesh Many, Assistant Professor at SGTDS, Mahatma Gandhi University
No. of Participants	:	67
Focused on	:	Skill Development

Report: The School of Development Studies conducted a Workshop on Quantitative Data Analysis from October 4-7, 2023. The event featured Dr. Rajesh Mony as the resource person and was coordinated by the faculty members of the School, Dr. M.G. Mallika and Shafeeque K.H. This four-day workshop aimed to equip participants with essential skills and knowledge in quantitative data analysis.

Objectives of the Workshop

- To introduce the fundamental concepts and techniques of quantitative data analysis.
- To provide hands-on training in statistical software and data analysis tools.
- To enhance participants' ability to interpret and present quantitative data effectively.

Dr. Rajesh Mony provided an overview of quantitative data analysis, discussing its importance and applications in various fields. Participants received hands-on training in using statistical software. The session covered basic functionalities, data entry, and data management techniques. The third day focused on advanced data analysis techniques, including regression analysis, hypothesis testing, and multivariate analysis. Participants learned how to apply these techniques to real-world data sets. The final day included sessions on interpreting and presenting quantitative data. Dr. Mony shared best practices for creating effective data visualizations and reports. Participants engaged in an interactive workshop where they applied their newly acquired skills to analyze and interpret data. The event fostered a deeper understanding of quantitative methods and their applications in various fields.

Name of Programme	:	Workshop on Quantitative Data Analysis
Date of Programme	:	14-12-2023 - 16-12-2023
Organized By	:	School of Development Studies
Resource Person	:	Dr. Johnson Jament, a renowned Research Associate from the School of Global Studies at the University of Sussex, U.K.
No. of Participants	:	64
Focused on	:	Skill Development

Report: The Qualitative Data Analysis Workshop was held from December 14 to 16, 2023. The workshop aimed to provide participants with a comprehensive understanding of qualitative data analysis techniques and methodologies. The sessions were led by Dr. Johnson Jament, a renowned Research Associate from the School of Global Studies at the University of Sussex, U.K. Sreeja V. (Assistant Professor, School of Development Studies) was the Faculty coordinator of the Programme.

The primary objectives of the workshop were:

- To introduce participants to various qualitative data analysis methods.
- To enhance the skills required for rigorous qualitative research.
- To provide hands-on experience with qualitative data analysis tools and software.

The workshop was structured into three main sessions, each focusing on different aspects of qualitative data analysis. Day 1 covered an introduction to qualitative research methodologies, coding, and thematic analysis, along with practical exercises on data coding. Day 2 delved into advanced analysis techniques, including narrative and discourse analysis, the use of software tools for qualitative data analysis, and group activities with case studies. Finally, Day 3 focused on techniques for writing qualitative research reports, visual representation of qualitative data, and included peer review and feedback sessions.

Dr. Johnson Jament's extensive experience and expertise provided valuable insights into the complexities of qualitative data analysis. The workshop included interactive sessions, allowing participants to engage in discussions and practical exercises. Participants had the opportunity to network with peers and professionals in the field of qualitative research. The Qualitative Data Analysis Workshop was a resounding success, equipping participants with essential skills and

knowledge for conducting qualitative research. The hands-on approach and expert guidance from Dr. Johnson Jament made the workshop an enriching experience for all attendees.

Name of Programme	:	NSSO Data Extraction Workshop
Date of Programme	:	24-02-2024 - 25-02-2024
Organized By	:	School of Development Studies
Resource Person	:	Dr. Aneesh M.R. (Assistant Professor, Christ University, Bangalore)
No. of Participants	:	14
Focused on	:	Skill Development

Report: The Research Methodology Workshop, held on February 24-25, 2024, focused on analyzing employment and unemployment data provided by the Indian Statistical Survey Organization (ISSO). The workshop was led by Dr. Aneesh M.R. (Assistant Professor, Christ University, Bangalore), with coordination by Dr. A.P. Sreeraj (Assistant Professor, School of Development Studies).

The primary objectives of the workshop were:

- To familiarize participants with the methodologies used in employment and unemployment data analysis.
- To enhance participants' skills in extracting and utilizing ISSO data for research purposes.
- To provide practical experience in handling and analyzing large datasets.

The workshop was divided into two main sessions: the first day introduced ISSO data collection methods, key concepts, and indicators in employment and unemployment statistics, along with practical exercises on data extraction and preliminary analysis. The second day focused on advanced data analysis techniques, including detailed exploration of statistical methods, the use of software tools for data analysis and visualization, and group activities with case studies to apply the learned techniques. The Workshop was highly successful, equipping participants with essential skills and knowledge for analyzing employment and unemployment data. The hands-on approach and expert guidance from Dr. Aneesh M.R. made the workshop an enriching experience for all attendees.

Name of Programme	:	One-Day workshop on Lexicography
Date of Programme	:	04-10-2023
Organized By	:	School of Historical Studies
Focused on	:	Skill Development

Report: The School of Historical Studies, Thunchath Ezhuthachan Malayalam University organized a one-day workshop on lexicography on October 4, 2023. The workshop aimed to create equivalent Malayalam terms for history-related words commonly used in the English language. This initiative is intended to enhance the understanding and use of historical vocabulary in Malayalam, facilitating better communication and comprehension in the field of historical studies.
