This book has been published in the good faith that the work of the author is original. All efforts have been taken to make the book error free.

The author maintains the copyright of the book and no parts of this book can be reproduced in from publisher and the author.

C. GANESH

The vehicle stories

Vehicles have life just like humans. Vehicles talk. Vehicles often fall in love, get angry and speak with hatred. The specialty of these short stories is that the vehicles themselves become characters. This is the debut short fiction book in English by C. Ganesh who has published more than 15 books in Malayalam.
